jr campers 24-36 mos.

Junior Campers is a summer adventure for NYC two year-olds! It runs from 9:00am–12:00 noon 2, 3 or 5 days a week and ends with a lunchbox lunchtime.

In a warm and supportive atmosphere, campers enjoy sprinkler play and rooftop picnics. They jump and balance in our large, fully-padded gym, and investigate art and science projects in the classroom. And there's always time for group games, dramatic play, stories, songs and block building. Our experienced, caring teachers create predictable routines and supportive experiences enabling youngsters to enjoy all aspects of camp.

Many fun surprises include backwards day, puppet shows and sing-alongs. Junior Campers is designed for active, curious and fun-loving twos! We happily support their transition into this group experience, so they can feel confident and at home..

Campers must turn 2-years-old by June 19, 2010.

discovery campers*

ages 3 and 4

Discovery Campers is designed for active, fun-loving 3- and 4-year-olds and runs from 9:00am until 1:00pm daily. Each morning children arrive with a smile ready for new art, science and cooking experiences. They love outdoor play on our rooftop playground, complete with sprinklers, play houses, balls and hoops.

Movement, music and fantasy play are led by Discovery's talented staff and alternate with gymnastics training in a huge, fully-equipped gym. Discovery Campers enjoy neighborhood adventure trips - to a pet shop, the library or a nearby playground - and build on these experiences through a variety of classroom projects. Now and then all campers come together for a sing-along, puppet show or special snack times. Each day mornings end with a lunchbox lunchtime and a story.

MUSIC, DANCE & STORYTIME

This three-tiered musical program is a high energy, joy filled introduction to music for young children and grown-ups. In MDS children explore music as a means to enthusiastic and creative self-expression. With live music accompaniment, rhythmic instrument games, dance, and animated story telling, we reinforce children's listening skills and encourage responses to steady beats.

As your child grows in our music program, we introduce song recognition, tonal patterns, solo singing and musical phrasing. The end result is a keener musical sense and appreciation, all under the umbrella of fun.
